## MEET the HOST

### STÉPHANIE ROUSSELLE

Stéphanie Rousselle is the founder of Gospel Spice Ministries and the host of the Gospel Spice Podcast. Her personal motto is, "God's glory, our delight!"

Born and raised in France, she has lived for her One over the last 2 decades on 3 continents, 4 countries and 5 cities through 6 professional roles.

This 100% French native is a wife, mom, podcaster, public speaker, Bible teacher, former women's ministry director and strategy consultant. She loves few things more than a good laugh, especially at herself, because grace is real, and life is short!

## TASTE & SEE

If you're a spiritual foodie looking for a flavor explosion in your journey with God, the Gospel Spice Podcast is your new secret ingredient.

With each episode, we invite you to taste the exotic spiritual spices that season the entire Bible and are long lost to our twenty-first-century palate.

The Gospel Spice Ministries exist to inspire Christ-followers in our generation to delight in God. "God's glory, our delight!" is a phrase you'll hear us say often.

We provide resources to empower Christian leaders across generational, social, ethnic and geographical boundaries towards more intimacy with Jesus Christ and discipleship effectiveness through a Biblical Christocentric foundation.

The Gospel Spice Ministries are a non-profit corporation, expressly intent on giving as much as possible of the funds we receive to Christian agencies on the frontlines of the fight against human trafficking at home and abroad.
